St. Louis Board of Aldermen Committee Approves Board Bill 250

In its weekly scheduled meeting of the St. Louis Board of Aldermen Housing, Urban Development and Zoning Committee on Wednesday, December 2, 2009, the Committee approved Board Bill 250 which is related to the Convention Center Hotel. The Trustee, on behalf of the holders of the Series A Bonds, has been in discussions with the office of the Mayor and the office of the Comptroller of the City of St. Louis to provide assistance and relief from the current payments in lieu of taxes (the "PILOTS") in order to assure the continued operation of the Convention Center Hotel as a four-star hotel.

The bill approved by the Committee provides for the creation of a Community Improvement District and a Transportation Development District (collectively, the "CID/TDD") to generate additional revenue. Annual revenues from the CID/TDD that will benefit the Convention Center Hotel if the bill is enacted in the form approved by the Committee are projected to be approximately \$600,000. The original schedule for payment of PILOTS provides for payments in the amounts of \$3,250,000 on December 31, 2009 and \$3,350,000 on December 31, 2010. If Board Bill 250 is enacted in the form approved by the Committee, these amounts will now be payable in installments over the period from December 31, 2009 through October 31, 2011. The Trustee anticipates posting a copy of Board Bill 250 to its website, www.conventionhotelbondholders.com in the next 24 hours.

Any such holders will likely have restrictions on their ability to buy or sell the Series A Bonds. Holders of the Series A Bonds should consider these restrictions and seek further guidance on this topic from their legal and investment advisors.
